Long-term rentals (only for e-bikes)

“Renting instead of buying” - our flexible e-bike rental offer

You want to rent an e-bike for a longer period of time? Or would you like to test an S-Pedelec (45 km/h) over a longer period of time?

No problem! Bike4U offers long-term rentals for various types of e-bikes. You benefit from the latest models from the Swiss brands FLYER and Tour de Suisse Bike and an unbeatable price-performance ratio. You have full flexibility and can take over the rented e-bike after the rental.

S-Pedelec = The word Pedelec is composed of "Pedal Electric Cycle" and describes a special version of an e-bike in which the motor support is only provided when you pedal. The S in S-Pedelec stands for speed, support up to 45 km/h.
